

REMARKS

Claim 1 has been amended to include the subject matter of claim 3, which was not rejected on the prior art.

Claim 11 was amended to include the subject matter of claim 21, which was not rejected over the prior art.

Claim 22 was not rejected other than for double patenting.

Since the cited reference is also an application, a terminal disclaimer is not required. In other words, it may be that the present application will issue first and then if any terminal disclaimer would be necessary, it could be filed in the McSwiney application.

Therefore, reconsideration is respectfully requested.

Respectfully submitted,

Date: January 7, 2008
